

## NON-MEMBER AIRCRAFT PARTICIPANTS

We hope many of you (especially our regular attendees) will be making plans to come visit the 52<sup>nd</sup> Reunion of the National Waco Club!

We are anticipating a large gathering of Wacos for this Fly-in as well, so to ensure we have enough parking for all our NWC Members who plan to attend, the following rules are in effect:

- Reunion will be open to National Waco Club members aircraft **only**
- Wynkoop Airport will be notamed “closed except for prior permission”
- Non Members are asked to fly-in to Knox County airport which is just 2nm southwest of Wynkoop.
- They will be providing complimentary ground transportation (between Wynkoop and Knox Co.) for anyone who wants to land there. This service was provided last year and worked well. They have 100LL and Jet A available.
- Camping is available on both airports (no showers) and there are no ramp or overnight fees.
- You are welcome to join the NWC – membership is open to anyone. Please go to [www.nationalwacoclub.com](http://www.nationalwacoclub.com) to join.
